

CONGRESSMAN BOBBY L. RUSH

Presents

An Educational Seminar on

Medicare Prescription Drug Benefit Program Part 'D'

Thursday, January 26, 2006

8:15 a.m. - 11:00 a.m.

(Continental Breakfast will be provided)

RADAY LODGE

3220 W. 145th Street, Midlothian, Illinois

Educators from the United Health Group at this seminar will help participants to apprehend the decisions about the new drug benefit. It is important that we help our constituents who are Medicare-eligible, their family members or caregivers and the general public understand the new drug benefit. This is particularly important since Part D represents one of the most significant changes to the Medicare program and our constituents need to understand exactly how to utilize its benefits.

(Pre-Registration is Required)
